## MORE HOST FAMILIES NEEDED

### BY: NANCY JODARSKI, CHAIR OF TRANSFER STUDENT COMMITTEE

Are you being called to open your heart and home to a student from Burundi? We're searching for a host family for one student for this summer and additional host families for the 2015-2016 school year.

Host families change a child's life forever; likewise, that child changes the lives of the host family. Host families are unique, selfless, and faith-filled. They believe there is always room for "one more" in their home and in their hearts.

The families are asked to provide a home, meals, and transportation to and from school for the student; they are not expected to financially support the student with basic needs. Host families welcome a Burundian student, not as a guest, but as a part of their family.

During their hosting experience, donations from our generous supporters to the Burundi Solidarity Fund assist students with purchasing clothing, school supplies, and spending money.

Let me introduce you to two Burundi students below (Jess and Michee) who are looking for host families.

Please pray about the invitation to host a student from Burundi, one of the poorest countries in the world and the hungriest country on earth. We have so much -- they have so little. To learn more about hosting a student, please contact me, Nancy Jodarski,

### JESS SHAKA

Jess arrived in Wisconsin last August and joined the sophomore class at St. Francis Xavier High School in Appleton. He is in need of a summer host family and a host family for the 2015-2016 school year. Jess's wit and passion for life make him a joy to be around! He is a young man who absorbed himself in his new culture by participating in Xavier soccer, CYO basketball, school and community theater, forensics, and church choir. His presence in your family will bring laughter, compassion, and an opportunity to learn about Africa.

### MICHEE MUHUMBO

Michee currently attends Lourdes Academy in Oshkosh and will need a host family for the 2015-2016 school year. Michee has been active in soccer, baseball, chemistry club, campus ministry, and literary club. This fall Michee will begin his third and final year at Lourdes Academy and is very much in hopes of attending college in the United States after his high school graduation.
